New York Times. Who introduced the fifteen puzzle but in all probability the guilty Gentlemen.—My case is briefly as follows: I have had Catarri for the years, each year with increasing severity. For nine years I had not breathed through one nostril. I had droppinged in the throat, a very had cough, asthma so bad and to be obliged to take armedy for it at tight before being able to lie down and allege, and a constant dull pain in my head. My head was at times so full of catarrial matter as to injure my sense of hearing and compelment og et up several times in the night to clear it and my throat before I could sleep. Every one of these distressing symptoms has disappeared under the use of not quite three boilts of Banvone's E-bica. Cura. My he ring is fully restored. I have no asthmatic symptoms, no cough, no droppings in the throat, no headache, and in every way better than I have been for years. I could feel the effects of the Cura on my spectite, on my kidneys and, in fact, every part of my system. What have been for years. I could feel the effects of the Cura on my spectite, on my kidneys and, in fact, every part of my system. What have been for years. I could feel the effects of the Cura on my spectite, on my kidneys and, in fact, every part of my system. What have been for years. I could feel the effects of the Cura on my spectite, on my kidneys and, in fact, every part of my system. What have been forgotten, and the fiendish purpose of the wicked brigadier. purpose of the wicked brigadier badly damaged. would "blay somedings."
